

Calkins Family Association

The Line of Descent (LOD) allows us to connect to each other, and to help others in their genealogy research to connect to Hugh & Ann, our immigrant ancestors who are ten or more generations back. If you simply send in what family info you do have, that is most helpful. If you need research help contact Melissa (mjcalkins817@gmail.com), our genealogy recorder. Start with yourself, work backwards, when finished email to: Nanette (nancearmstrong@gmail.com)

Add more if needed. Hugh and Ann Calkins will be the last listed. Fill out two or more if you have more than one line back to Hugh and Ann. Thanks for your help in adding another line to our LOD record.
